## Head of the Class

### WILSON SCHOOL STAFF

Thanks to the generosity of the Wilson School staff, over \$500.00 was collected to purchase Shop-Rite gift certificates for needy Wilson families. Mrs. Marie Koch, a Wilson benefactor, donated over 135 new toys and games to the children who might otherwise not have had gifts. As always, the caring Wilson family reaches out to bring smiles to the faces of those children and their families who are less fortunate.

**MR. JARRETT LAMPKIN**

**MS. COLLEEN MEZZINA**

A job well done to Sayreville Middle School Guidance Counselor, David Fischer; teachers, Tara Cleary and Jarrett Lampkin; and paraprofessional, Colleen Mezzina who created gorgeous holiday wreaths which were sold to staff members. Students and staff members worked diligently to create these wreaths by hand. With their hard work and determination, 50 wreaths were made which raised over \$1,000.00. The class will be donating the funds to The Ronald McDonald House in New Brunswick. This is a community service project that staff members look forward to and our students learn the valuable lesson of giving.

### THE SAYREVILLE TEAM

Special thanks to the Sayreville Team for your efforts in achieving outstanding recognition as part of the New Jersey Quality Single Accountability Continuum (NJQSAC). This statewide mandated program monitors every district in the state every three years and assesses them in all areas including personnel, curriculum, policy, facilities, and finance. Executive County Superintendent Pat Piegari had nothing but praise for the Sayreville Team and the culture and learning environment we have created in Sayreville. Congratulations and many thanks for all you do!

### JESSICA KITRYS

Congratulations to Jessica Kitrys for scoring her 1000th career point in a win against New Brunswick. She is the first female 1000 point scorer for Sayreville in 28 years. Congratulations to Jessica and the girls basketball program for this outstanding accomplishment!

### KENE EZE

In addition to his selection as Middlesex County's "Player-of-the-Year" from both the Star Ledger and the Home News Tribune, Kene was selected to the "New Jersey Top 15" by the Soccer Coaches

Association of New Jersey (SCANJ). He was also selected as a Regional All-American by the National Soccer Coaches Association (NSCA). Finally, Kene was selected as an ESPN All-American. He was one of 16 players from New Jersey selected for this honor. He was selected as one of the top 100 forwards in America and one of the best 300 players in the country. Congratulations to this outstanding student-athlete!

Kudos and a big thank you to these students from the Sayreville War Memorial High School Men's and Women's Basketball Program who volunteered at the Sayreville Recreation Department's Toys for Tots Holiday party on Sunday, December 13, 2009. These fine young men and women volunteered their time on Sunday afternoon to help make the Christmas season a joyful one for the needy children of our community. Mr. Gerry Ust, Director of Recreation for the Borough of Sayreville sent a letter commending these student-athletes for their kindness and compassion. He also wished to recognize their dedication to community service in the Borough.
