Dear Parents & Guardians,

We would like to welcome your children to Sayreville Middle School.

The State of New Jersey requires that all children born after January 1, 1997 are required to have the **Tdap** and **Meningococcal** vaccinations to attend school. If your child has received these immunizations please submit a copy so that we can update their charts. If your child has not received these required immunizations it is necessary that they receive these immunizations by October 1, 2010.

Thank you for your immediate attention to this matter.

Sincerely,

Tobi Frank RN

Betty Ann Verner RN
