

## **A Message from the Nurse** **Sports Physical**

- **All physicals must be filled out on the state required forms or they will not be accepted.**
- **All students trying out for a sport must have their physical in at least 2 weeks prior to the try out date.**
- **All physicals are to be returned to the nurse. The nurse does not sign off on the physicals. The physicals are picked up by the Athletic trainer (David Waite) who turns the physicals into the school doctor (Dr. Salston). The doctor must review each physical before a child is given permission to try out for a sport.**
- **When the physical is reviewed you will receive a letter from the school doctor telling you that your child is cleared or what is still needed.**
- **All cleared physicals are returned to the nurse and are kept in their medical file.**
